RE: Empress 110 Celebration
Weekend of 19-21 July, 2024

On behalf of the Council and Administration of the Village of Empress, I heartily thank the organizing committee, consisting of the Empress & District Historical Society, the Empress & Bindloss Agricultural Society, the Empress Friendship Centre, the Empress & District Fine Arts, Culture and Leisure Society, and the Empress Municipal Library for organizing a very successful 110-year celebration.

We also acknowledge the contributions of the kind sponsors of the event, including South Country Co-op and Vortrax Construction Ltd.

We are grateful to the community volunteers, venues, staff, participants and visitors who helped to make the celebration a great event.

The committee's gift of eight metal benches for various locations around the village is much appreciated and I believe will be put to good use for many years to come.

Gratefully,

A handwritten signature in blue ink that reads "Dawna Martin". The signature is written in a cursive, flowing style.

Dawna Martin, Mayor
