- 1.6.2 A **non-conforming building** may continue to be used, and the **building** may be enlarged, added to, rebuilt or structurally altered, if at the discretion of the **Development Authority**, the alterations do not substantially increase the extent of non-conformance and are within all other requirements of the Bylaw.
- 1.6.3 Nothing in this Bylaw diminishes or in any way affects the power of the **Development Authority** to issue a **development permit** which makes a **non-conforming building** conforming through the granting of a relaxation of the requirements or rules to which the existing **building** does not conform.
