## **Seasonal Public Works Labourer Wanted**

### **Village of Empress**

The Village of Empress is seeking a reliable and motivated individual for a seasonal position in the Public Works Department.

Duties may include:

- Grass cutting and general grounds maintenance
- Weekly garbage pickup
- Campground maintenance and upkeep
- Water main and utility repairs
- General labour and maintenance duties as required

The successful applicant must be willing to work outdoors in various weather conditions and perform a wide variety of tasks. Experience operating equipment or working in municipal maintenance is considered an asset but is not required.

This position offers varied work and the opportunity to help maintain and improve our community.
